

# Allison Rose Foundation Scholarship Application

This \$1,000 scholarship is offered to inspire the legacy of Allison Rose Suhy, Independence High School Class of 2017. Ally had a true joy about her, a lust for living life that was infectious. She was funny, engaging and exemplified a brightness that shined in the way she dressed, the bounce in her step, and most importantly, the twinkle in her eyes. It also shone on the sidelines as a Blue Devil cheerleader and on stage in a drama production. Helping others feel special by doing their hair and makeup, was something that Ally did frequently. This type of inner beauty was also on display when she was with children— with those in her family or the students she worked and played with either as a day camp counselor or volunteer at Autism camp. Ally's love of children even inspired her to pursue a career as an early childhood teacher. Allison Rose Suhy was a very special gift—one that her family and friends were blessed to enjoy for her 18 years.
